

Election Worker Positions and Pay

CLERK (\$250): The Clerk is the person in charge of a polling place and is responsible for seeing that the Election Team carries out its duties and responsibilities according to Florida Statutes. The Clerk demonstrates a working knowledge of problem-solving and conflict-resolution skills.

ASSIST CLERK (\$200): Assist the Clerk with his/her duties.

BALLOT INSPECTOR (\$180): Assigned to select precincts during Election Day, they will be responsible for issuing the ballot to each voter and for ballot reconciliation.

VOTING SYSTEM SPECIALIST (VSS) (\$180): Responsible for overseeing the set-up, opening, closing, and dismantling of the Express Vote and DS200 digital Scan Voting System.

BALLOT PROCESSOR (\$180): Responsible for retrieving the EVID tickets from voters and assisting them with inserting their ballots into the digital scanner.

EVID INSPECTOR (\$180): Checks in the voter by checking photo and signature identification. Send voters to the Precinct Clerk if voter eligibility is questioned. During early voting EVID Inspectors will be responsible for direct print and handing out of ballots. On Election Day select precincts will be doing the same.

DEPUTY (\$180): Responsible for maintaining law and order at the polling place along with the Precinct Clerk. Also, assist voters and monitors the "no solicitation" area of the precinct. Sworn in by the Sheriff's office.

PHONE BANK OPERATORS (\$180.00): They will assist the SOE office staff in determining eligibility problems called in by Precinct Clerks.

ZONE TECHS (\$275): Assigned specific precincts they are responsible for on Election Day. This person is in charge of correcting problems with any of the equipment and delivery, as needed, of election supplies.

ALTERNATES (\$40.00): For standby and training.

EARLY VOTING POLL WORKERS PAY:

Clerk	\$12.00 per hour
All Other Positions	\$10.00 per hour
