

Welcome from
William "Bill" Keen
Sumter County's
Supervisor of Elections

It is my honor to serve as your Supervisor of Elections.

My office takes pride in serving the citizens of

Sumter County, Florida.

I want to encourage all citizens to become active and involved in the voting process.

In addition to being an active voter, I encourage you to get involved as a non-partisan Election Worker during our elections.

We couldn't be successful without them!

Finally, please always vote with confidence and know that my team is here to serve you!

NOTE

After completing an application:

- ◆ You will become part of our pool of prospective election workers.
- ◆ Your name will remain active until you request that it be removed.
- ◆ Not all election workers work every election.
- ◆ The number of election workers for each election is determined by the size of the election and the expected turnout.
- ◆ Election workers are chosen to work a specific election by their availability, willingness to travel, and the number of workers needed.
- ◆ While we like to keep an election board constant throughout an election cycle, this can not always be done.

As an Equal Opportunity Employer, we do not discriminate on the basis of age, race, religion, sex, or national origin. Your signature affirms that you have read and understand the basic requirements and are willing to be considered for an Election Worker position at the will of the Sumter County Supervisor of Elections.
